CODE OF CONDUCT

A school bus Code of Conduct has been developed by our school and supported by our bus company.

The Code of Conduct focuses on the need to maintain and enhance the safety of the bus system, and the responsibility of parents and student travelers to contribute to hazard-free bus travel through the establishment and reinforcement of safe behaviour patterns whilst in transit and at bus stops.

Our school will monitor student school bus behaviour in consultation with the bus operators and will take the necessary action ranging from warnings for minor infringements, to suspension from the bus for more serious offences. Continual student misbehaviour will increase the period of suspension and ultimately the banning from bus travel.

As a condition of bus travel, parents and students (where appropriate) are required to sign the following school bus Code of Conduct form and return it to school immediately.

CODE OF CONDUCT

Safe school bus travel is a whole community concern. The following Code of Conduct for students has been prepared to maintain the state's good safety record.

Students will:
- Behave in an orderly fashion while waiting at a bus stop
- Obey the driver's instructions
- Remain seated for the whole journey
- Talk quietly, and refrain from calling out to passing traffic
- On leaving the bus, wait on the same side of the road until the bus has left the bus stop, and if necessary, cross the road only when there is a clear view of the traffic in both directions.

Students will not:
- Distract the attention of the driver by engaging in 'horseplay' such as yelling out or making loud noises
- Harass the driver or any other passenger on the bus
- Fight on the bus or at any bus stop coordination point
- Use foul, abusive or intimidating language
- Vandalise the bus
- Throw litter, or any other object, in or from the bus
- Allow any part of his or her body to protrude from the bus
- Smoke on the bus
- Use or take on the bus, any alcohol or illegal drugs or hazardous items
- Play on the roadway
- Approach a bus until it has completely stopped
- Attempt to board or leave a moving bus.

I HAVE READ THIS INFORMATION ABOUT SAFE BUS TRAVEL AND UNDERSTAND MY ROLE IN MAINTAINING A SAFE TRAVEL ENVIRONMENT.
